AN INTRODUCTION TO OUR SCHOOL

Clifton High School is a forward-looking school set in beautiful surroundings in the heart of Clifton. We are a mid-sized, all-through, independent school, educating boys and girls from 3-18 years. 'Realising Individual Brilliance' is more than just a tagline at Clifton High, it is something we truly believe in and see exemplified in many ways, every day at our School. Each child's unique talents and qualities are nurtured and celebrated, in ways bespoke to them as an individual.

Clifton High School is known for its strong pastoral and family ethos. The safety and wellbeing of each pupil is our priority. We are a School that ensures a child's emotional and personal development is given the same level of importance as their academic achievements. Parents comment on the excellent relationships between staff and pupils - relaxed but always respectful. The rapport, encouragement and support available to every single child, pupil and student create an atmosphere where children and young people can develop happily and progress successfully
