CLIFTON HIGH AS A BUSINESS

Just like any other independent school, Clifton High is a business. Our product is a high-quality, desirable education. However, to ensure that we can continue to provide the education and experience that we are so passionate about, we must function as a successful business. This is largely down to fees; securing future pupils and retaining families, and maintaining and building on the good reputation we have. Our parents are our customers and are making big financial and emotional investments in our School. As such, all employees are representatives of the School and play a part in its success.

With a flourishing and affluent population, the demand for independent education in Bristol is strong. However, the offering from the independent sector is highly competitive, with more independent schools within the city and its outskirts than anywhere in the country other than North London.

As a school, we have learnt never to be complacent but to strive to keep competitive and ahead of the game. Clifton High School has a unique offering where extra-curricular activities and personal and social development are given emphasis alongside academic excellence. Our parents very much value this; indeed, it is an important reason why they choose us. Competition to attract pupils is high and as such we seek to appoint and retain staff of the highest calibre who act as ambassadors for the School and embrace and reinforce our ethos and values.

Being a Clifton High Employee

Working at Clifton High School involves a commitment to the vision, culture and heart of the School; all staff work with colleagues to ensure that the School fulfils its aims.

Our pupils are fun, inquisitive, enthusiastic and rewarding, and staff are expected to share and champion our passion for bringing out the best in each and every one of them. Classes are small, giving staff the opportunity not only to strive to achieve the highest standards within it, but also to make a significant contribution beyond it. All staff enrich and strengthen the wider life of the school by undertaking duties and offering and supporting activities or clubs. As role models for our young people, you are encouraged to show planned and focused career development.

Whilst focusing priority on excellence in the teaching and learning of our young people, as well as their personal development; staff are also encouraged to learn new skills and advance their own professional growth. The School encourages its young people to acquire skills and its staff must lead by being open to new skills and knowledge.

We very much want every individual, whether part of teaching, support, business administration or otherwise, to feel that they belong to our community and share our common goal with the health, safety, well-being and education of our young people at its core. Realising Individual Brilliance is not just for the pupils, but for everyone at Clifton High.

What do we have to offer you?

- Committed and supportive staff
- Motivated children with a desire to learn
- A drive to change and be better
- A culture of high ambition and excellent pastoral care throughout the school
- A history of embedded excellent best practice
- A creative and inspiring ethos and school values that our children and team carry for life
- Strategic, committed and supportive leaders
- Regular support and training to update skills
- Healthy and nutritious two-course lunch during term times
